

Method of Selection of External Evaluators

Example

The department solicited evaluations of Professor Hindle's scholarship from five scholars in the field of biomedical ethics. All of these scholars are highly respected in Professor Hindle's area of specialization and have published numerous books and journal articles in the area. They were asked to evaluate several of Professor Hindle's journal articles and his recent monograph. Four of the five scholars responded. They are Professor Rosemarie Tong (Davidson College), Professor Howard Brody (Michigan State University), Professor Mary Mahowald (University of Chicago) and Professor James F. Childress (University of Virginia).

Two of the scholars who responded (Tong and Brody) were selected from a list compiled by the department head in consultation with departmental faculty. The other two responses were from scholars selected from a list of possible reviewers provided by the candidate.
