

# Space Committee Meeting Agenda

## August 29, 2022

1. Review and approve meeting minutes from the June 17, 2022, committee meeting. (The July 2022 meeting of the Space Committee was canceled.)
2. Review action items from the 6/17/22 meeting.
3. Review a request from the College of Arts & Sciences to assign Walters D213 and D210A & D210A2 to Math for use as GTA offices.
4. Review a request from the College of Arts & Sciences to assign Walters B208 to Geography for temporary use as a wood archive. This would be for about 1 year, or until renovations of Walters A210, the permanent wood archive, are complete.
5. Review a request from the College of Arts & Sciences to assign South College rooms 101 and 101A to Physics for research GRAs.
6. Review a request from the College of Arts & Sciences to assign Walters Academic Building Room M104 to the School of Art to function as a research laboratory for a new ceramics faculty to be hired AY 24-25. If this request is approved, the College will return WAB rooms B102 and B104 to the campus space pool.
7. Review a request from the College of Arts & Sciences to transfer AMB Rooms G041 (633 sf) & G041A (433 sf) from the Theatre Department to the School of Music/UT Opera Theatre (UTOT).
8. Informational Item Only: Due to heat related working conditions, room 166 in the Student Union on the G1 level was released by Facilities Services and reassigned as a workspace for Starship Robot reps.
9. Informational Item Only: Updates related to future new building projects:
  - (a) New Business building
  - (b) New Melrose building
  - (c) Nursing building
