April

**April 17**

Video series from sub-committees

**April 22**

Generative AI training video series (available on the provost website)

**April 27**

ChatGPT in Research Panel\*

**April 28**

Generative AI Tools in Research Resource website

May

**May 5**

Recommendations for incorporating classroom use of ChatGPT into syllabi<sup>1</sup>

**Fall 2023**

Creation of Generative AI research guidance<sup>1</sup>

<sup>1</sup>The policy review process will begin in fall 2023

\*The panel will consist of UT and non-UT researchers who are using ChatGPT for research purposes. The goal of this panel is to bring awareness about opportunities, challenges and concerns and engage campus community with a productive discussion around implications of ChatGPT for research on the UT campus and beyond.
